The Annapolis Valley Regional School Board is responsible for the care and control of more than two million square feet of school facilities and their contents. While these facilities are public buildings in the broad sense, the Board must exercise control over access to schools by the general public to ensure the protection of the buildings, their contents and the students and staff who study and work in them.

The School Principal is responsible for the application of this policy.

**Monitoring:**

- The Director of Operations is responsible for the implementation, monitoring and revision of this policy.
- This policy will be monitored annually.

**Board Approved:** December 5/01

**Ref:** AP 201.2
