Ensuring a safe and secure learning environment is essential to the well being and positive development of both students and staff. The Annapolis Valley Regional School Board is committed to the provision and maintenance of safe and secure school facilities where both students and staff can function without concern for their personal safety.

The administrative procedure will outline the steps to be taken at each school site to provide a safe and secure learning environment.

Monitoring:

- The Director Operations is responsible for the implementation, monitoring and revision of this policy.
- This policy will be monitored annually.
