

Department: Human Resources
Section: Employee and Labour Relations

The Annapolis Valley Regional School Board may support the loan of service of personnel to post-secondary training institutions, the Department of National Defence and the Department of Education and Early Childhood Development provided there is no loss of services to the Board, it is operationally acceptable, and there is no additional cost to the Board.

The Annapolis Valley Regional School Board supports the loan of service of personnel for the training and development of individuals, the skills and knowledge that they will bring back to the Board, and the contribution that said individuals will be able to make to the institutions that have requested their services.

Monitoring

- The Director of Human Resources is responsible for the implementation, monitoring and revision of this policy.
- This policy will be monitored annually.
