

# Administration of Prescription Medication to Students Board Policy

BP 403.10

**Department: Programs and Services**  
**Section: Special Education**

The Annapolis Valley Regional School Board recognizes that, within the student population served by the Board, there are students who require medication(s) during the school day.

Therefore, the Annapolis Valley Regional School Board authorizes school personnel to administer to students medication(s) that have been prescribed by an authorized health care professional.

#### Monitoring:

- The Director of Programs and Services is responsible for the implementation, monitoring and revision of this policy.
- This policy will be monitored annually.
