

Department: Programs and Services
Section: Special Education

The Annapolis Valley Regional School Board believes that there will be circumstances where it is practical and desirable for two or more Boards to collaborate in the delivery of educational services to students or groups with special needs.

Therefore, the Annapolis Valley Regional School Board directs staff to actively seek opportunities for collaboration with other school boards in the development and provision of programs and services for students with special needs.

Specifically:

- The Director of Programs and Services will be responsible for the implementation, monitoring and revision of the policy.
- The policy shall be reviewed annually.
