### RE: New Classifications

The Employers and the CUPE Locals agree:

While recognizing the right of each individual Employer to determine and establish classification(s) within its own Board, each Employer also recognizes the value of maintaining the voluntarily developed standardized classification and wage scale.

To that end:

- (a) There will be established a New Classification Committee consisting of a maximum of one CUPE employee and a maximum of one management employee from each Board as well as spokespersons for CUPE and the Employers.
- (b) The New Classification Committee will meet annually, if required.
- (c) When an Employer has developed a new classification (a classification that does not currently exist and appropriately falls within that particular board's CUPE bargaining unit), the Employer shall provide the job description and wage scale (as implemented within the Board) to the members of the New Classification Committee a minimum of fourteen (14) calendar days in advance of the annual meeting.
- (d) When there is one or more new classifications to be considered, the New Classification Committee will meet at the annual meeting with the purpose of reviewing and, where possible, determining the appropriate relative wage scale for the new classification as presented.
- (e) Such review and determination, where possible, is limited to considering:
  - (i) required duties;
  - (ii) standardized title; and
  - (iii) the appropriate wage scale as it fits within the relativities established within the existing agreement.
- (f) Nothing herein prevents the Employer from implementing a new classification anytime in advance of the meeting in accordance with the provisions of their applicable collective agreement.
- (g) Should the New Classification Committee reach by consensus a different wage scale:
  - (i) if the different wage scale is more than the implemented wage scale, it

shall be retroactively applied to the date of implementation of the new classification;

- (ii) if the different wage scale is less than the implemented wage scale, it shall be implemented effective the next pay period following the New Classification Committee decision.
- (h) Should the New Classification Committee not reach consensus on a different wage scale, either:
  - (i) The Employer's implemented wage scale remains; or
  - (ii) At the discretion of CUPE or an Employer, the unresolved issue of appropriate relative wage for the new classification will be settled by a mutually agreed upon arbitrator [with the jurisdiction of applying the conditions established in (e)].
  - (iii) Following each annual meeting, if there is more than one referral pursuant to (ii), then those matters will be referred to the same Arbitrator at the same hearing.
