

PAINTING IN SCHOOL – AUTHORIZATION FORM

Painting of any kind is not permitted on school property during the school year, from August 30th to June 30th, without prior written permission from the school’s Occupational Health & Safety Committee, the principal, and the Coordinator of Property Services.

This form is to be completed and forwarded to the Coordinator of Property Services for approval whenever painting is requested and when the school’s Occupational Health & Safety Committee, parents, staff and students are in agreement that it should occur. If approved, a signed copy will be faxed back to the school.

If painting is requested from July 1st to August 29th, approval is necessary only from the principal and the Coordinator of Property Services.
